Rides' List – October 2016 – February 2017

Let's Celebrate

A few joint rides with Cycling Dumfries. We welcome all cyclists on our rides. Why not just join us for a chat. In the Autumn(shorter days) and Winter, ensure that you judge your own equipment needs, including provision of lights if required and suitable clothing.

Please contact the ride leader to check route and logistics. **Please check start times as these can vary, depending on the length on the route.**
