- 1) Feb 1st The Belfry is the large café right on the crossroads in the centre of Kirkcudbright.
- 2) Thornhill Golf Club has had to be taken off the list because Catherine of the Green Tea Room has not had her catering contract renewed there. That is why we will visit Palnackie twice.
- 3) We are short of a venue at the Dumfries end of our area. If anyone has any ideas please let me know. Bear in mind that it has to be somewhere that can take up to 20 to 24 and must not involve cycling on the A75 or A76 to get there.

Best wishes for Christmas and for lots of safe cycling in 2017
